WELCOME TO ELSIS

The English Language Schools

On behalf of the staff and students, we welcome you to ELSIS and hope your stay in Australia and your time in this school will be an enjoyable one.

In the first few weeks after your arrival you will have many questions to ask about a great many new experiences. Our Orientation session and the information we provide you in this manual should be of help to you. ELSIS staff are friendly and here to help you, so don't be shy... if you need help please ask for it. Our Director of Studies, Associate Director of Studies, coordinators and office staff are able to assist you with any personal or academic concerns. Your school mates are another source of useful information. Remember they have been in your situation longer, and will already have found answers to the questions you may have.

Learning English in Australia will probably be very different to learning English in your own country. Students at ELSIS are expected to contribute and participate in class discussions and other activities. These valuable learning experiences will help you to settle into the school more easily, and help you get to know your school mates more quickly.

Study hard, but remember to take time to relax and make new friends. At ELSIS we provide a friendly learning environment where students of many different nationalities come together. You will find that the teaching staff at ELSIS are friendly and devoted to helping you reach your goal – learning English. We hope that your time with us is enjoyable and your English course is successful.

STUDENT VISA REQUIREMENTS

Student Attendance and Course Progress

- ELSIS is required to monitor your attendance and course progress while you are studying. This is to ensure that you are able to complete your course within the expected time stated on your CoE, and to meet the conditions of your student visa.
- You are required to study in class for 20 hours per week. In order to be able to continue your studies, receive a graduation certificate and keep your visa, you must progress academically and have a minimum attendance of 80%. All absences are marked hourly, with 4 hours absent considered as one session (class day) absent.
- If, during your time at ELSIS, your attendance or progress is low, we will activate an Intervention Strategy to give you every opportunity to be successful in your studies.
- If you are sick and cannot come to school, you should visit a doctor to get a medical certificate that covers the period of time you were absent. You must give the certificate to your teacher on the first day that you come back to school. This is important to show on your student record.
- Please note that on a Student Visa, your first priority must be to attend school. You are permitted to work 40 hours per fortnight (2 weeks), however, we must remind you that the reason the Australian government has given you a student visa is so you can study English.
- For immigration purposes, The English Language School in Sydney (ELSIS) needs to have your accurate and current address and telephone number in Australia. It is very important for you to advise ELSIS of any changes to these contact details.
- Information about you may be made available to Commonwealth and State agencies.

Private study

It is advised that you study 5-15 hours per week out of class time. It is expected that academic subjects require 10 -15 extra hours and General English 5-10 hours.

General Intensive English

You will be given a textbook and will work through certain units in your class. Your teacher will let you know beforehand when progress tests are to occur. These are tests to show how you have progressed in your studies, and do not mean that you have attained a certain level or will automatically proceed to the next level; however, if you are not in agreement with the teacher, we do have level tests available – see your teacher or coordinator.

English for Academic Purposes

If you are studying in an EAP course, it is your responsibility to keep up to date with assessments and to be aware of the grades required for your pathway.

Leave

Leave can only be taken after your course has finished. It is only granted during your course for compassionate reasons such as illness or death in the family. Student Services can give advice regarding leave.

Refunds

ELSIS will refund tuition fees in some circumstances. Please refer to your Offer Letter, Appendix B.

Health Care

If you entered Australia on a student visa and arranged your OSHC policy through ELSIS, the cost of your insurance will have been included in your initial fees. The policy gives you insurance cover with Allianz, and includes basic medical and hospital fees Australia wide. Your OSHC policy number can be found in your COE in the comments section.

Once your OSHC policy is active you will be sent an email instructing you on how to access your E-OSHC card. It may take up to 4 weeks from the date that you commence your course to receive your E-OSHC card.

If within this period you need to visit the doctor, pay the bill and keep the receipt. Apply online (https://www.oshcallianzassistance.com.au/member_student/login.aspx) for a refund of the standard doctor's fee set by the Government.

Direct Billing means that if you hold a current OSHC Worldcare policy and attend one of the providers listed, the bill will be sent directly to OSHC Worldcare for payment and you will not have to submit a claim. Some Medical Providers may charge you a co-payment. A 'co-payment' is an amount that you will have to pay and that cannot be claimed for a refund.

We recommend that you download the app: www.oshcallianzassistance.com.au/app

Currency

Australia uses a Decimal currency system, where 100 cents = one dollar (\$). We have six coins – 5c, 10c, 20c, 50c, which are silver coloured, and \$1 and \$2, which are gold. We have five notes, made from plastic – \$5 (pink /purple), \$10 (blue), \$20 (red), \$50 (yellow), and \$100 (green).

Public Transport

Brisbane's public transport network is very extensive, comprising of train, bus and ferry services. This includes the free City Loop Buses, and are all easily connected by purchasing a GoCard via Translink. By downloading the Translink app, you can also receive real time updates about when the next train, bus or ferry will arrive. However, Brisbane locals are known for their love of the great outdoors and cycling is a very big part of life. Many roads have been modified to include cycle paths. There are also City Cycle terminals where you can hire a bike and leave it at another cycle centre of your choice.

Affordability

In terms of cost of living, Brisbane is by far one of the most affordable cities to live in Australia. Accommodation is plentiful and there are some great career opportunities. Some of the most popular places to visit in Brisbane include: City Botanical Gardens, Roma Street Parklands, Steve Irwin's Australia Zoo, Mt Cootha, and of course, the beautiful Gold Coast (which is only a 45 minute train ride away). There are also major theme parks which attract millions of visitors each year: Movieworld, Dreamworld, Seaworld, Wet n Wild, Australian Outdoor Spectacular, and Aussie World.
