WELCOME TO ELSIS

The English Language Schools

On behalf of the staff and students, we welcome you to ELSIS and hope your stay in Australia and your time in this school will be an enjoyable one.

In the first few weeks after your arrival you will have many questions to ask about a great many new experiences. Our Orientation session and the information we provide you in this manual should be of help to you. ELSIS staff are friendly and here to help you, so don't be shy... if you need help please ask for it. Our Director of Studies, Associate Director of Studies, coordinators and office staff are able to assist you with any personal or academic concerns. Your school mates are another source of useful information. Remember they have been in your situation longer, and will already have found answers to the questions you may have.

Learning English in Australia will probably be very different to learning English in your own country. Students at ELSIS are expected to contribute and participate in class discussions and other activities. These valuable learning experiences will help you to settle into the school more easily, and help you get to know your school mates more quickly.

Study hard, but remember to take time to relax and make new friends. At ELSIS we provide a friendly learning environment where students of many different nationalities come together. You will find that the teaching staff at ELSIS are friendly and devoted to helping you reach your goal – learning English. We hope that your time with us is enjoyable and your English course is successful.

STUDENT VISA REQUIREMENTS

Student Attendance and Course Progress

ELSIS is required to monitor your attendance and course progress while you are studying. This is to ensure that you can complete your course within the expected time stated on your CoE, and to meet the conditions of your student visa.

Requirements for Course Attendance:

Your classes run from Monday to Friday and you are required to attend 4 hours a day, 20 hours a week. To be able to continue your studies, receive a graduation certificate and keep your visa, you must maintain a minimum attendance of 80%. All absences are marked hourly, with 4 hours absent considered as one session (class day) absent.

If you are sick and cannot come to school, you should visit a doctor to get a medical certificate that covers the time you were absent. You must give the certificate to your teacher on the first day that you come back to school. This is important to show on your student record.

Please note that on a Student Visa, your first priority must be to attend school. You are permitted to work 40 hours per fortnight (2 weeks), however, we must remind you that the reason the Australian government has given you a student visa is so you can study English.

Requirements for Course Progress:

To graduate from your course and receive a certificate you are required to be an active learner. This means you need to participate and engage in class activities, complete tasks and homework, submit assessments, and sit for tests.

You will be considered at risk of not meeting course progress if:

- Your teachers identify you as having ongoing difficulty with coursework
- You fail to do your homework on a regular basis
- Your attendance is poor, and you have missed over 80% of your classes
- You have missed tests and failed to submit assessments

Intervention Strategy

If during your time at ELSIS your attendance or progress is low, we will activate an intervention strategy to give you every opportunity to be successful in your studies. ELSIS will provide you with support services that may include but not limited to:

- One on one tutoring and dedicated extracurricular support
- Specific in class/homework.
- Work tasks focusing on areas of the student's needs
- Class change.
- Welfare support

Progression Between Courses

ELSIS provides you with the opportunity to progress from one course to another. To learn more about progression between courses request an appointment with the coordinator at the Student Services desk. Our coordinators will advise and will help you achieve your learning goals.

ELSIS Admissions Policy and ELSIS Monitoring Student Progress and Course Duration Policy and Procedures will provide you with more information on progression between ELSIS courses. To access our policies, visit:

<https://www.elsis.edu.au/form-library/>

Private study

It is advised that you study 5-15 hours per week out of class time. It is expected that academic subjects require 10 -15 extra hours and General English 5-10 hours.

General Intensive English

You will be given a textbook and will work through certain units in your class. Your teacher will let you know beforehand when progress tests are to occur. These are tests to show how you have progressed in your studies, and do not mean that you have attained a certain level or will automatically proceed to the next level; however, if you are not in agreement with the teacher, we do have level tests available – see your teacher or coordinator.

English for Academic Purposes

If you are studying in an EAP course, it is your responsibility to keep up to date with assessments and to be aware of the grades required for your pathway.

Leave

Leave can only be taken after your course has finished. It is only granted during your course for compassionate reasons such as illness or death in the family. Student Services can give advice regarding leave.

Student Contact Details

For immigration purposes, English Language School in Sydney (ELSIS) needs to have your accurate and current address and telephone number in Australia. You must update your RTO profile page if your contact details change within 7 days as per your visa condition. Information about you may be made available to Commonwealth and State agencies.

Health Care

If you entered Australia on a student visa and arranged your OSHC policy through ELSIS, the cost of your insurance will have been included in your initial fees. The policy gives you insurance cover with Allianz, and includes basic medical and hospital fees Australia wide. Your OSHC policy number can be found in your COE in the comments section.

Once your OSHC policy is active you will be sent an email instructing you on how to access your E-OSHC card. It may take up to 4 weeks from the date that you commence your course to receive your E-OSHC card.

If within this period you need to visit the doctor, pay the bill and keep the receipt. Apply online (https://www.oshcallianzassistance.com.au/member_student/login.aspx) for a refund of the standard doctor's fee set by the Government.

Direct Billing means that if you hold a current OSHC Allianz policy and attend one of the providers listed, the bill will be sent directly to the OSHC provider for payment and you will not have to submit a claim. Some Medical Providers may charge you a co-payment. A 'co-payment' is an amount that you will have to pay and that cannot be claimed for a refund.

We recommend that you download the app:

SYDNEY

General Information

Climate

The climate in Sydney is mild, and the seasons are distinguishable from each other. For those of you who live near the Equator, you will notice a distinct difference between Summer and Winter, and that we have no Wet Season. For those of you who come from countries higher up in the Northern Hemisphere, you will notice that our Summers and Winters happen at the opposite times of the year to what you are used to.

Sydney can be quite humid around February. The average yearly rainfall is 75 – 130 mm, and it can be very windy sometimes.

SUMMER	December – February	25 – 30 °C
AUTUMN	March – May	12 – 18 °C
WINTER	June – August	10 – 15 °C
SPRING	September – November	15 – 25 °C

Currency

Australia uses a Decimal currency system, where 100 cents = one dollar (\$). We have six coins – 5c, 10c, 20c, 50c, which are silver coloured, and \$1 and \$2, which are gold. We have five notes, made from plastic – \$5 (pink /purple), \$10 (blue), \$20 (red), \$50 (yellow), and \$100 (green).

Driving

If you have had a licence in your own country for more than a year, you can apply for an Australian Driving Licence, but you must pass a driving test. If you are on a Student or Working Holiday visa and studying for 10 weeks or less you can drive using your International Licence, if you already have one. Roads and Maritime Services (RMS) which is part of Service NSW, is at 19 York Street (near Wynyard Station) and will be able to advise you of what you have to do and where you need to go to arrange an Australian Licence.

If you are a member of your country's motoring club and you have your membership card, you can get free information and maps from NRMA, located on George Street.

Entertainment

There are many nightclubs and theatres located throughout the city as well as bars, and restaurants. There is also a good selection of gyms and health clubs. The Rocks area, Chinatown and also Darling Harbour are all within easy walking distance. The George Street cinema precinct is close by. You must be 18 years of age to go to a pub, club or gambling venue (such as Star City Casino). You may be asked to show your ID or passport in order to enter these places.

Public Transport

Town Hall, St James and Wynyard train stations are only 10 minutes walk from ELSIS and these stations will give you access to most locations around Sydney. Students living in the Eastern Suburbs can choose train or bus transportation to the city and most trips take about 10 – 30 minutes. Buses run regularly and there are bus stops near ELSIS.

The famous Bondi Beach is a 40 minute bus or bus/train ride east from the city, and Manly is 30 minutes by ferry from Circular Quay. Being in the city gives you an excellent starting point to access some of the 26 beaches that are within the Sydney area. All students who use public transport should purchase Opal Cards from designated venues, which can be used for all transport. Overseas students must purchase an Adult Opal Card (black colour).

Parks

Hyde Park is a ten minute walk from ELSIS, and offers a peaceful retreat from the bustle of the City. Centennial Park is 20 minutes by bus from the city and offers horse riding, rollerblading, cycling and running as some of the more popular activities. However, just walking and enjoying the trees and lakes, or even feeding the ducks, is very relaxing. Barbeque facilities are also available for those wanting to have a picnic.

Libraries

The State Library of NSW is located in Macquarie Street and is open to the public during extended business hours. Students are able to join the public libraries located in the areas they are living in. Sydney City Library is located in Customs House in Circular Quay.

Health Facilities

Sydney city has many doctors and dentists to choose from, should you need to be treated. There are also chiropractors, podiatrists, dietitians, physiotherapists, Chinese herbalists, optometrists and many specialists. For the service you need, visit www.yellowpages.com.au.
