Our accommodation is divided into Residence and Homestay. Apart from our accommodation options, we also offer an airport pick-up service, collecting you from Sydney, Melbourne or Brisbane Airport and transporting you directly to your accommodation destination. We can also arrange transfer back to the airport at the end of your stay. For your peace of mind, all our drivers carry identification. All bookings can be made by agencies through our online booking system. You will receive all the information necessary for airport pick-up, if required, and a complete profile with rules, photos, location and transport details for both residence and homestay accommodation.

STUDENT SERVICES

You will meet our friendly Student Services team on your very first day. They can help you with any questions you may have about Australia and your English-language courses.

Our Student Services officers will guide you in the right direction. On your first day they will take your photograph for your ELSIS Student Card and introduce you to the college environment. If you have questions related to opening a bank account, arranging a tax file number or obtaining a mobile phone/sim card, then they are the people who can help you.

Very soon ELSIS will feel like your second home because of its warm and welcoming atmosphere.

STUDENT ENGAGEMENT

Each campus has a Student Engagement Officer who will help you settle in. They look after all Social aspects during your time at ELSIS. So fun and socialising is guaranteed.

Our teachers are university educated and hold specialist qualifications in English-language teaching. Ongoing professional development ensures our teachers are always up-to-date with the latest teaching methodologies.
